### **Where And When Does Midnight "Pizza and Profits" Take Place?**

- Shhh...This is unofficial, and really hush hush. You'll need to either ask someone "in the know" or figure it out for yourself! Hint: Where can you find complimentary pizza 24/7 and Marketers wanting to network and brainstorm all night long?

Please pack before midnight and leave your luggage outside your stateroom door.  
If you have any questions or need clarification on anything, please talk with one of our staff members.
