Dear Guest(s),

The amazing Marketers Cruise aboard the brand new Carnival Dream is finally here. Are you EXCITED yet? We hope so. J

You are part of an elite international guest list of more than 400 invitees, flying in from around the world for our VIP "Vacation Integrated w/Profit." J

Enclosed in this Bon Voyage Beach Bag you'll find everything you need for smooth sailing and a whole lot of fun!

Be sure to log in to Carnival's "FUN-Hub" social network aboard the Dream and create your profile under our private MarketersCruise.com Mastermind Group. You will need your Folio # located on your Sail & Sign card. It's how you'll access the latest updates from your hosts AND each other throughout the week.

After settling into your stateroom on embarkation day, please join your shipmates for a buffet lunch up at "The Gathering" on the Lido deck, followed by Sail-Away @ 4 PM. Don't worry about your luggage, it will find its way to your cabin eventually!

Our kick-off Welcome Aboard Pre-Dinner Cocktail Party starts at 7 PM in The Burgandy Lounge located on Promenade Deck #5 (back of ship). Family & friends are all welcome!

Onboard the ship, please wear your I.D. name badges to all the optional private mastermind sessions and networking events.

Looking forward to a FUN week of adventure, sun drenched islands and the priceless camaraderie of great like-minded people. Networking and Schmoozing, while Caribbean Cruising!
